

**Special points of interest:**

- 2/15: Deadline to submit graduation application for Spring 2014.
- 2/17: President's Day, no classes.

## Advising Alerts: Announcements

### We have a new website!

Advising for the School of Natural Science now has a brand new website format.

We have added tons of new features like info about the placement exams, and a complete info guide for the different catalog years. Check it out!

<http://ns-advising.ucmerced.edu/>.

### Submit forms Online

You can now submit the Course Approval Form, the General Petition Form, and the Subsequent Course Repeat Form online! You no longer have to bring a paper form in person, but be sure to attach all the necessary documents. Find those forms [here](#).

### Add/Drop a class Deadlines

The period for adding a class online has now passed, but you can still drop a class online using myRegistration until February 10th. To add a class, you will need an instructor's signature using the Add/Drop form found on the Office of the Registrar website.
