

Special points
of interest:

- Congratulations to the UC Merced Class of 2014!

Advising Alerts: Announcements

Graduation!

The School of Natural Sciences wants to congratulate the seniors that will be walking across the stage this weekend! We wish you all the best of luck with the next step in your lives. See you at commencement!

Class of 2014!

Summer Emails

For all of the continuing students, summer is still an active term academically. Emails will be sent out throughout the summer about various programs, tests, and deadlines. Be sure to check them out and see if any relate to you!
