

I AM A PSYCHOLOGY MAJOR!

Engineering Service Learning helped me with my career as a Psychology major because it exposed me to many opportunities that I didn't know existed, particularly because I had no idea what I wanted to do.

Juanita Sprowell, Communications Officer for Vernal Pool Reserve

JOIN ENGINEERING SERVICE LEARNING!

Did you know that only 36 percent of college graduates got good jobs after graduating, and that most entry-level jobs require industry experience? This class gives you the real-world experience that will help you land a great job. Plus, you work on multi-disciplinary teams, create solutions for nonprofit community partners and form friendships.
