Computer Science Course	2
	17-18

Semester 4	Units
EEB Course with Fieldwork	4-5
BIO 148 w/ 148F	5
EEB Emphasis Elective	4
EEB Emphasis Elective	5
	18-19

The two-year plan presented in this sample plan demonstrates the recommended sequencing and timing of the required and elective components within each major. In many cases, a student's academic background will require variations in the timing of the coursework listed in the plan. All students are expected to work with their academic advisor to find their best pathway through the degree requirements of their chosen program.
